He was a really nice guy. My condolences to all family and friends. I hope all the happy memories you must have, have helped over the last few months. RIP Al, you'll never be forgotten. Mike (UK)

Not only was Al extremely knowledgeable and generous with his time, he was one of the funniest people I've known. There are many hundreds of people who are in shock and deeply saddened by Al's passing. My deepest condolences to his family, know that he spoke about you often with joy, pride and love.

“ Al was a fellow cadet at Florida Air Academy I had the privilege of knowing and calling a friend for over 50 years. You will be sorely missed! RIP.

""Oh, I have slipped the surly bonds of earth,  
And danced the skies on laughter-silvered wings;  
Sunward I've climbed and joined the tumbling mirth of sun-split clouds -  
and done a hundred things You have not dreamed of -  
wheeled and soared and swung high in the sunlit silence.  
Hovering there I've chased the shouting wind along  
and flung my eager craft through footless halls of air.  
"Up, up the long delirious burning blue  
I've topped the wind-swept heights with easy grace,  
where never lark, or even eagle, flew;  
and, while with silent, lifting mind I've trod  
the high untrespassed sanctity of space,  
put out my hand and touched the face of God."

“ This is so beautifully appropriate Gregory. Al was indeed a very loved and respected man by all who knew him. So bright and intuitive. It's not for us to question God's will, as we each have our own destiny to fulfill with and by God's Grace. But somehow, today, I find little comfort in those words I know to be true. I miss my friend. My most sincere condolences to Al's loving wife and his children and grandchildren. Al was the consummate "family man". They were his everything and he spoke of each of them with such pride. His eyes shone with such love for all of you. And his grand babies. . . . beyond love. Rest peacefully, my friend. You will live on through the many lives and hearts you've through your years here, and as much as it hurts to know you've passed on, your love and spirit will always be present.

“ Al was blessed with charis. He had the ability to quickly make you a friend, even if he never said a word. I met him through the Kittinger's a number of years ago. When we would see each other at an aviation event, he made you feel like Neil Armstrong. I was truly fortunate, I called him my friend. We have stayed up to date with each other on FaceBook. Whether it was the grandchildren, dog, flying or space the correspondence was easy and uplifting. My best to the family and God bless his soul.

“ Phil and I met Al when Jaclyn and Mike first started dating. The feeling of a close friendship with him and his wonderful wife Lynnette was immediate. When Mike and Jaclyn became serious, the bond of family was made. Being enfolded into his tribe is a wonderful gift. Lynnette, John, Tamara, Nelson, and Jaclyn, we are sure you were not ready to let him go, but take comfort knowing that Al knew the destination of his next adventure. He is with his Lord and Savior. May your many joyous memories give you all peace in your hearts. With love and hugs and our sincerest condolences, Suzie & Phil

“ What sad news to learn of Al's death! I loved his posts, one of the last being a Lake in FL full of alligators! Al was the type person that was easy to know but hard to forget. We became FB friends when he said he worked with my husband. I finally met him at Spacefest and we became instant friends. He was always available to help if needed. He loved his family and always eager to introduce them to me. He was full of life and energy! Al was a fine man! May our Lord bless his soul and bless his family...
