“ Dear Cortez Family,

We were so sorry to hear of Arturo death and we want to express our most sincere sympathies to you and the family during this difficult time from the management team here at Total Golf Cart. Your family member was a highly valuable and respected member of our team here and the effects of his passing are already being felt here by his fellow employees and management.

Arturo was a wonderful employee who understood the meaning of the word "team." He was always more focused on the good of the company and the department than on his own benefit. He made many great contributions to the company and helped it

move forward in numerous ways. His work here will not soon be forgotten.

Please accept my sincere condolences for you and the family. Arturo was a remarkable man and everyone at Total Golf Cart is better for having known him. For those of us that had the privilege of calling him "friend" outside of work, we were humbled by his kindness and compassion to everyone around him.

He will be greatly missed, and everyone here is saddened by his death. Know that our thoughts and prayers are with you and his family and friends during this difficult time.

With sincere sympathy,

Doug James
