“ I still remember meeting Jim at Ontario Place and just because my husband and I had the same kind of boat as he did. He was such a wonderful man. Although I haven't seen him in years, he will be missed.

“ I am shocked and deeply saddened by the news that my friend, Jim has passed away - way too young.

I first met Jim through boating at Ontario Place here in Toronto in 1989. We became fast friends. We visited him many times when he and Lisa lived in Buffalo. Took part in many of the WNY Poker Runs which Jim was involved in and organized. So many fun times. And you never knew what was going to happen when Jim was around!

Jim was such a great friend. He called me on July 15 on my Birthday, which he never missed, nor forgot. He was on his way home from the Moffat Cancer Centre in Tampa - he sounded so good and upbeat.

Then he emailed me on July 20 telling me he had contracted Covid. I sent a follow up note to see how he was recovering, only to be advised by Beth that he had passed. I am so shaken,

I've enjoyed the pleasure of Jim's friendship through the years - which fostered a bond which will never be forgotten nor duplicated.

I am not ready to say good bye to someone as good as Jim. A piece of my heart is forever broken, but incessantly grateful for his camaraderie and kindness through the years, the good times shared and the indelible memories he left behind.

Goodbyes hurt the most when the story was not finished . . . In a bittersweet moment, another angel has found his wings when your golden heart stopped beating.

Your life was a blessing my friend - your memory a treasure. Rest in Peace.
