“ The everlasting memories you have given to all of us will never be forgotten... your strength, your personality and love for life , wisdom and positive reinforcements will always be with us as well. YOUR AMAZING smile will forever light up our worlds...
Knowing you've impacted many lives including mine and my daughter Ali will never be forgotten... knowing you started out being a great friend to her dad and I and then it was carried down to Ali is priceless. Ali as well as all of us absolutely loved your presence, your funny texts, your jokes and most of all your big heart.. we will still do our Red Crab nights (I'll still be stealing your corn and potatoes LOL), your favorite tacos at Shindigs (which you thought were the worst LOL will still be eaten) your Taco Tuesday's at Taco Dive and nights at Meating will never stop.. you will forever be with everyone in the present...
You were a true person to everyone JP.. you are deeply missed and I couldn't have asked for a better person to have been in my life for over 20 years...
constant prayers and support will be given to your little girl by all as well as to all your family and friends.. Fly High P.. we will see you again.. as I used to say Ciao For Now and much much ❤️😔♠️, Nikol

“ *Jason "JP"*

The day you came into this world you made your Dad and I the happiest parents there could be and you lived up to that to the end. Our lives will never be the same. We will miss that infectious smile, the morning calls saying "Hey Mom". I will never stop thinking of you. I will never stop calling out your name. The day you left this earth was the day you lived in my heart forever. I can't wait to be with you again. Thank you for being that ever loving son who always looked out for us. You will always shine through your daughter Jordynn. She will be forever loved and taken care of. This is not good-bye. It's so long till we meet again. Love always Mom and Dad❤️💙❤️

“ *J, what a wonderful human being you were! A very kind, selfless and dedicated son. A father who cherished the role of being a dad to Jordynn. A brother, uncle and nephew who the Pearce family was so fortunate to experience the joy and love at family gatherings. It just seems surreal that you will not physically be present at family gatherings but your name will be said so many many times and your presence felt. We will share our fondest and happiest memories of you. We will miss you. We love you, have loved you and will always love you.*
